Thank you to *Fred Clarke* for his presentation on Cattleyas latest developments in the breeding and growing of these colorful flowers. We're looking forward to seeing the members accomplishments at growing these new Cattleyas.

December Meeting: *CAIOS Annual Solstice Party and Auction*

Come and share the season to be together. 'Tis the time to eat a bit too much once again. Come, bring and share your favorite dishes! The tables shall be lovely with members show plants and the enjoyment of each other's company. Bring that which you excel in cooking, - full dishes this, not mere finger foods. Store bought food also welcome if you don't wish to cook. Impress us, outdo the dish next to yours! It's a good time to just catch up and talk orchid, kids or grandchildren info with your friends. No show table, but bring anything boast-worthy for table decoration

Members **A to F** - Salads--, **G to O** - Main Dishes and **P to Z** - Desserts — BUT, feel free to bring what you do best. Stove, oven available at the Fairgrounds. The Society provides fixin's. Note -- the time shall be 12:00 **NOON!**

Bring lots of \$ for the CAIOS Orchid Auction. Win NEW Plants, support your habit and support CAIOS! We plan to have fewer plants than before and of premium quality, *many in bud or bloom*. Members are welcome to bring good gift plants and/or orchid related items such as art, for the Auction, but please call Tina or Tom(#s below) to get them listed and numbered if time permits. (Orchids List below)

Show News and Updates: *Kaleidoscope of Orchids*

We are looking for people who know of a "**Great Location**" to place a 2013 CAIOS show promotional Orchid Basket, which includes a waterproof basket with an orchid or two, a framed Show poster and packet of postcards for people to take. A "Great Location" should have a medium to high volume of people moving through most days and a prominent location for the small orchid display.

Locations needed mid-January for a two week period. The business does not need to be available for both sessions. If you think you know of a Dr, Dentist, hairdresser, barber, physical therapist, coffee shop, your bank, a favorite restaurant or small business that has a suitable location, please ask if they are interested before signing up. Also if you would obtain a contact persons name, address and telephone number so we can keep track of where we have advertising displays. If you have any questions please contact **Tina (the Show Chair) at 508 540-5006**

Will bring Orchid baskets to December meeting for those who sign up NOW!

If you can not attend a CAIOS meeting please feel free to call Tina or Email her at tina@plaid.who.edu. There are lots of different jobs for all abilities and talents.

Set-up: Volunteers needed to sign up for Thursday to help set up the show and display.

Clerks: More volunteers needed who are willing to Clerk at Judging on Friday morning - don't forget you are treated to the Judges lunch which is typically very good. I only have 7 people signed up we normally need about 15-20 people for that task.

Admission-Raffle-Membership: Time slots available to work at the Admissions table, Instant Raffle and Membership table for most time slots on Sat & Sunday, especially later in the day from 11-5 all shifts are two hours intervals

Hospitality Room

We are also looking for assistance in supplying the hospitality room with great homemade treats for Wed, Thursday, Saturday & Sunday. We will have crock pots available to heat items and coolers to keep perishable items cold. The fantastic homemade food and great hospitality is what makes this show so special for the vendors and exhibitors. So let Tina know what you can help out with.

Breakdown

Tina really needs help with the END game – of cleaning out the venue. Everything must go somewhere on Sunday evening and not everything goes to the lock-up. Tina has been frustrated more than once about being one of two or three people left at the very end. Hoping desperately that they can fit it all of the stuff into the available vehicles so they don't have to make a 2nd trip back at 9:00 or 10:00 on Sunday night.

Please Sign up and stay to the end for Your Show Chair's sake!

Postcards & Posters: -- Don't forget to pick up your post cards for mailing to your local friends in your Christmas Cards. Lots of both are available to be picked up at the next meeting

Judging list, instructions and fillable forms will be available at the www.caio.org web site. If you have a problem with the web site forms please contact webmaster Nimituk, email her from our web page. Pre-registration for plant judging is available until 8:00PMon Jan 20, 2014. To pre-register plants for AOS judging send each form by email to Joanna Eckstrom at Jkeckstrom@comcast.net. If you want to fax forms call first at (603) 654-5070. As many of you know it is easier remove a plant from registration than to add an additional group on set-up day. Please take the time & pre-register as many plants as you possibly can, it will save all of us time.

Announcements:

CAIOS still needs a **new volunteer to act as treasurer**. Yr. Pres. has done it in years past and found it to be interesting and not too time consuming. Experience helps of course, but is not necessary. The "Quicken" software is straightforward and a recent computer comes with the job. The main duties are collecting and posting dues, paying bills and managing show funds in and out. Lots of helpers can be assigned especially at Show time. For the time being, bills and loot to VP Tina Balog, 64 Carol Ave. E. Falmouth, MA 02536 or Yr. CoEd/Pres, Tom Gregg at 26 Pond Rd. Falmouth, MA 02540

Members have expressed interest in learning more about the different ways to grow your orchids, i.e., under lights; mounted on bark, in addition to specific care for their new orchid. All of your questions will be answered in upcoming newsletters. Do you have a hint or experience you would like to share with the members? Please continue to

contact me via e-mail (OakH35@yahoo.com) (or see me at one of the monthly meetings) with your questions, hints or something you would like to share with the members. In the meantime, **HAPPY HOLIDAY'S** to everyone!

From Our Peripatetic Orchidist Jean Stefanik: now in New Zealand

While I'm not in the market for any orchid bark, I was informed here in NZ of an amazingly simple technique for potting that I had not heard before.

Some orchid growers here take 3 grades of bark, and when potting things like Masdevallias and others needing good drainage, put a 1/3 layer of coarse bark, then a layer of medium bark, then the plant, then fill in with med fine or fine bark. Seems simple enough, but ensures the right size around roots, especially small and young roots, while still keeping below the roots airy and good drainage.

Alison in Orchidland: Reviewing what I learned about growing orchids in the 2013 growing season:
Ya Live Ya Learn, as my friend Ace Grower, Elle Ronis always reminds me.

For me, the most important aspect of growing this year was to pack all my orchids with lots of peanuts in a pot so tight that it looked like it was in need of repotting, right after I had done so! Harry Epstein, of the NH. Orchid Soc. told us to repot our orchids every year-"they love it" he said. With that in mind I decided to try it but pack tight tight tight.

Every plant with the exception of Miltoniopsis responded well- no deaths in any plants, a victory. As far as the milts go... if I cannot figure them out soon, I may abandon them.-Alison Arrouet
