December & January - Great Location Show Promotions –

We are looking for people who know of a “Great Location” to place a 2012 CAIOS show promotional Orchid Basket. Which include a waterproof basket with an orchid or two, a framed Show poster and packet of postcards for people to take? A “Great Location” should have a medium to high volume of people moving through most days and a prominent location for the small orchid display.

Will bring Orchid baskets to December meeting for those who sign up NOW!

We plan on two sessions one in early December & again in mid January each for a two week period. The business does not need to be available for both sessions. If you think you know of a Dr, Dentist, hairdresser, barber, physical therapist, coffee shop, your bank, a favorite restaurant or small business that has a suitable location, please ask if they are interested before signing up. Also if you would obtain a contact persons name, address and telephone number so we can keep track of where we have advertising displays. If you have any questions please contact **Tina (the Show Chair) at 508 540-5006**. There will be a sign up sheet at the November and December meetings.

Need Your Help

Don't forget to sign up to volunteer at the 2012 CAIOS Show – January 28 & 29 from 9-5 both Saturday & Sunday. If you can not attend a CAIOS meeting please feel free to call Tina or Email her at tina@plaid.who.edu. There are lots of different jobs for all abilities and talents.

I have a few specific holes I need to fill on the Show Sign Up Sheet – We NEED CLERKS for Friday a.m. Ribbon Judging. If you want to learn more it is a fantastic learning experience. Plus you get lots of exercise and are fed a fantastic French themed lunch for your efforts. So where are you all?

Also need a few other people to sign up to work the **Sunday from 11 a.m. to 1:00 p.m. shift**. Sign up at the meeting or call or email Tina@plaid.who.edu.

Hospitality Room

We are also looking for assistance in supplying the hospitality room with great homemade treats for Wed, Thursday, Saturday & Sunday. We will have crock pots available to heat items and coolers to keep perishable items cold. The fantastic homemade food and great hospitality is what makes this show so special for the vendors and exhibitors. So let Tina know what you can help out with.

Children's Corner

We are looking to add something new to the 2012 CAIOS Show a children's corner. We are planning on a few different activities, coloring your favorite orchid, a scavenger hunt, or I spy game. I am looking for helpers to staff the "Corner" for a few hours at a time. I am interested in any ideas you may have. I know many of you have children and grandchildren and have experience which could be very valuable.

Jan Meeting – A Hands On Workshop "How to create An Orchid Display" We will take you through the process step by step with your own flowering plant or a borrowed plant (from one of us with too many to do). From placing the name of the plant owner on the container that it is grown in, grooming it for show, getting a Plant Name Tag for it, then entering it for mini Judging session, finally placing the plant into the display, then listen to Judges comments about the plants and display.

THE PREZ SAYS

Keep the publicity expanding into new areas and contact Gail Barnett if you need more posters or post cards or have questions or suggestions.

Our library has been sorted out. Thank you Tim Culbertson and Tom Gregg. Denise Hedderig has volunteered to be our new librarian and will have the books at the February meeting* with the updated list. Until that time, please return books to Gail Barnett at any time.

The December meeting is a good time to share your ideas or ask questions about what is or isn't succeeding in your show preparations. That gives us time to work out procedures. Again, feel free to phone and chat. There's nothing like ideas from many minds.
