Welcome Back, Orchid lovers for 2012-3

And For 2012-3, CAIOS begins with: **Jim Rose, of Cal-Orchid**
“Laelias of Mexico”,

a group he has become particularly fascinated with, that can easily tolerate both the warm of our summers and the cool of our winters (indoors of course).

WHO WE ARE

Note the Epidendrums in the picture

Cal-Orchid, Inc. is owned and operated by James and Lauris Rose. In the early 1970's the Roses began their orchid careers in the commercial realm, and eventually purchased their own nursery in 1987. When you call or visit you will be assisted by James and Lauris, not sales clerks. That is a combined experience of 60+ years. The Roses have always been active in the orchid world, travelling for shows, sales, or lecturing. Whenever possible, they are generous with their time, (phone or mail)---We would like to extend an invitation to everyone to visit the nursery here along the balmy Pacific Ocean in central California. We are only about one mile from the 101 freeway and a short five minute drive from the Santa Barbara airport. If you decide to travel a distance to see us, please call ahead to be sure that we, too are not 'on the road'.

THE FALL AND WINTER REST PERIOD.

I SEEM TO BE ACCUMULATING VARIOUS ORCHIDS THAT REQUIRE A WINTER REST. SOME BEGIN IN OCTOBER. MANY THAT END IN MARCH.

THIS MEANS LITTLE OR NO WATER, NOR FERTILIZER. CURRENTLY I AM MAKING A LIST AS A QUICK REFERENCE TO REMIND ME NOT TO WATER. HOW DO YOU COMPILE THIS LIST?

☛ A) google: for example how to grow brassavola nodosa

☛ B) easier way: **www.orchidculture.com** & enter **brassavola nodosa**

Print out the page and keep it in a notebook for quick reference-saves time and saves your plants!

Dear Orchid Friends and Colleagues -

The Northeast Judging Center of the American Orchid Society is pleased to announce that, beginning July 21, 2012, its monthly judging held on the 3rd Saturday of each month will now take at the Bartlett Arboretum and Gardens, 151 Brookdale Road, Stamford, CT in their new educational center. We are excited at the prospect of establishing a long-term partnership with the Bartlett, one of the premier arboretums and gardens in the Northeast, including the development of educational opportunities for the orchid-growing public and making available for on-site usage the extensive collection of books and journals related to orchids currently owned by the Northeast Judging Center.

We hope you will share this information with the members of your orchid societies. We know we will be successful with the continued support of our friends in the Northeast! The Northeast Judging Center provides two such judging opportunities each month, on the first and third Saturdays. Judging will now be:

--On the **first Saturday** of each month at Tower Hill Botanic Garden, 11 French Road, Boylston, MA 01505 (508) 869-6111 www.towerhillbg.org (10:30 AM - student or member presentations. Brown bag, deli sandwich (nearby farm stand) or on sitecafe with view. Afternoon, see/join AOS judging. Learn to speak orchid! --Rt. 495N to 290W, off at Churchill St., Go Rt - 3.5 mi., nearly to end, Sign on Rt., Free, just say "Orchid Judging" at gate.Ed.)

--On the **third Saturday** of each month at Bartlett Arboretum and Gardens, 151 Brookdale Road, Stamford, CT 06903 (203) 322-6971 www.bartlettarboretum.org

Orchid plants may be submitted for judging using the following guidelines:

- Plants must be entered in the most presentable condition possible.
- Plants may be entered by the owner in person or by someone else on his/her behalf. The exhibitor completes a single sheet entry form for each plant entered for judging. After an entry number is assigned the exhibitor places the entry form with the plant on the display table.

Thank you and hope to see you soon! Bob Winkley, Chair, Northeast Judging Center
