

2023 Nutmeg State Orchid Society Annual Show

Bob Findlay, Marsha Fredericks, Randy Black and Forest Henderson installed the society display. For most of the team this was our first “in-the-round” display and it proved a difficult concept. The show was dominated by Phalaenopsis, to point that two judging teams were needed to judge them all. Bob and Marsha stayed overnight and clerked for ribbon judging. Bob, Marsha, Randy, Forest and Eilene Henderson took the display down. Tina Balog, Tom Gregg, Mike Lincoln, Bob Findlay, Forest Henderson, Leslie James and Michelle Wolf contributed plants. Mike took the only rosette awarded to a CAIOS member with his *Phragmipedium longifolium* 'Woodstream' – way to go Mike!
